DISTRICT OF NEVADA

ELLEN VIOLA,

Plaintiff

v.

SUN LIFE ASSURANCE COMPANY OF  
CANADA,

Defendant

Civil Action No.: 2:16-cv-01322-JAD-CWH

**STIPULATION AND JOINT MOTION  
FOR STAY PENDING REMAND FOR  
FURTHER CLAIM REVIEW**

ECF No. 14

Come now the parties and, after conference of counsel, jointly request that the Court stay this matter pending a remand to Defendant for further review of Plaintiff's claim for ERISA long term disability benefits. In support hereof, the parties show the Court as follows:

1. This is a suit for long term disability benefits under an ERISA-governed employee benefit plan pursuant to 29 U.S.C. §1132(a)(1)(B). The parties have exchanged initial disclosures and have complied with all deadlines to date.

2. During the pendency of this action, the parties have discussed options for potential settlement. Although not able to completely resolve their dispute, the parties have agreed that Defendant will conduct an additional level of review of Plaintiff's claim to take

1 into account updated information. The review process will be conducted in accordance with  
2 Department of Labor ERISA claim regulations applicable to appeals of adverse benefit  
3 determinations.

4 3. In order to accommodate this additional level of claim review, the parties  
5 request that the Court stay this matter subject to the parties filing a joint status report in 90  
6 days to inform the Court of the status of the claim review or, if the claim review is completed  
7 before that date, the parties will promptly inform the Court if any further action is required.  
8 Once the claim review is completed, if there is still a dispute between the parties, the parties  
9 will propose new briefing deadlines. If there is no further dispute between the parties once  
10 the claim review is completed, then the parties will submit a joint request for dismissal of this  
11 action.

12 WHEREFORE, the parties jointly request that the Court stay this action pending a  
13 further claim review by Defendant and require the parties to submit a joint status report in 90  
14 days or, if the claim review is completed before that date, the parties will promptly inform  
15 the Court whether any further action is necessary.
